News (100-250words) <ul style="list-style-type: none"> - Specialty - Facts & Figures - Budget - Beneficiary Profile - Impact/Outcome 	<p>News - The Rotary Club of Bhaktapur, in collaboration with HPN Clinic, successfully organized a Health Check-up Camp on 14th October 2025 from 7:00 AM to 9:00 AM. The camp aimed to promote early detection and prevention of non-communicable diseases among the community.</p> <p>Specialty: The camp emphasized preventive healthcare through screening and personalized counseling. Special focus was given to lifestyle-related diseases such as diabetes, hypertension, and dyslipidemia, with in-depth guidance provided to patients.</p> <p>Facts & Figures: A total of 40 patients were screened during the camp. Among them, 15 individuals were identified with diabetes. All participants received basic health check-ups along with necessary medical advice.</p> <p>Budget: Voluntary Service</p> <p>Beneficiary Profile: The beneficiaries included local community members, particularly individuals at risk of or suffering from lifestyle-related health conditions such as diabetes and hypertension.</p>

Impact/Outcome:

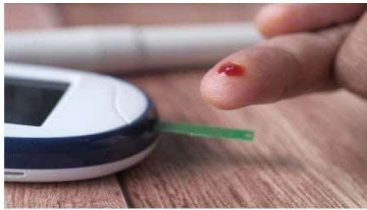

The health camp contributed to increased awareness regarding the prevention and management of non-communicable diseases. Early identification of diabetic patients enabled timely intervention and guidance. The in-depth counseling sessions empowered participants with knowledge on maintaining healthy lifestyles, thereby reducing future health risks. Overall, the initiative supported improved community health awareness and encouraged proactive health management
