News (100-250words) <ul style="list-style-type: none"> - Specialty - Facts & Figures - Budget - Beneficiary Profile - Impact/Outcome 	<p>News A monitoring visit of the tree plantation initiative was conducted by the Rotary Club of Bhaktapur on 25th October 2025 at Siddhi Memorial Hospital, Bhaktapur. The visit aimed to assess the growth and maintenance of the fruit plants previously planted within the hospital premises.</p> <p>Specialty: Over 100 fruit-bearing plants had been planted across the hospital area, particularly benefiting elderly residents living within the premises. The monitoring visit ensured that the plants were growing properly and receiving adequate care. Additionally, maintenance activities such as trimming and manuring were carried out with the support of the Interact Club of Bhaktapur.</p> <p>Facts & Figures: More than 100 fruit plants were monitored during the visit. Members of Rotary Club of Bhaktapur and volunteers from the Interact Club actively participated in the maintenance work.</p> <p>Budget:1500</p> <p>Beneficiary Profile: The primary beneficiaries include elderly residents of Siddhi Memorial Hospital and the surrounding community, who will benefit from a greener environment and access to fresh fruits in the future.</p>

Impact/Outcome:

The monitoring visit reinforced the sustainability of the plantation initiative by ensuring proper care and growth of the plants. The addition of manuring and trimming activities improved plant health and longevity. The initiative contributes to environmental improvement, promotes greenery within the hospital premises, and enhances the well-being of elderly residents. It also encouraged youth participation through the involvement of the Interact Club, fostering a sense of responsibility towards environmental conservatio
